CUSTOMER QUESTIONNAIRE

- Are you aware that if your service contract purchase price was included in your vehicle financing, any refunds will be returned to the lienholder? Yes No
- Are you aware that if your service contract was included in your vehicle financing, the refund to the lienholder will be deducted from the principle of your loan and may not lower your monthly payment? Yes No
- Are you aware that under the terms of your service contract the refund will be calculated based upon the unused portion of your time or miles remaining? Yes No
- Are you aware that once your vehicle service contract has been cancelled, you will be responsible for all mechanical repairs above and beyond the factory warranty? Yes No
- Are you aware that under the terms of the vehicle service contract, there may be a fee for cancellation? Yes No
Refer to your individual service contract for fee (if applicable).

I have read and fully understand that the cancellation will be processed as outlined above and the service contract will no longer provide any benefits from this date forward. (Please allow 30 days from today's date to process cancellation.)

All requests **MUST be received by CNA National Warranty Corporation within 30 days of the cancellation date indicated above.*
